

2025 "Run What-cha-Brung" Regatta and Boat Show

The EVENT

The **Detroit Model Yacht Club** is hosting the 2025 Run What-cha-Brung regatta and classic boat show on Sunday, June 8th at Lake St. Clair Metro Park. This will be a fun event for people of all ages. The event is open to all classes and sizes of model sailing yachts.

Anyone with a model sailing yacht, even the older classics, is welcome to participate. Guests attending the event will have opportunities to try their hand at sailing a model yacht.

Format for the regatta will be fleet racing for those wishing to have a little fun on the water!

The YACHTS

DMYC will have sailing yachts representing the six sanctioned racing classes sponsored by the club at the pond. The six classes are DragonForce 65 (DF-65), DragonFlite 95 (DF-95), Soling One Meter, East Coast 12 Meter (EC-12), Marblehead, and International 10 Rater.

In addition to fleet racing, attendees may also see a little match racing with a couple 1.7 Meter racing yachts.

The boat show is shaping up to have a nice collection of old-time sailing yachts built over the years by various members of the DMYC. Attendees of the event will have an opportunity to lay eyes on yachts as old as a 1940's Vintage Marblehead. Yachts at the show will range in size from the smallest being a Footy to the largest and majestic 1/16 scale J-Class modeled after the 1930's era America's Cup racing yachts and several others in-between. Some of the classics may even get rigged and sailed in the regatta.
